When people should go to the book stores, search creation by shop, shelf by shelf, it is really problematic. This is why we offer the ebook compilations in this website. It will certainly ease you to look guide kill crazy gang the crimes of the lewis jones gang as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you target to download and install the kill crazy gang the crimes of the lewis jones gang, it is entirely simple then, in the past currently we extend the join to purchase and create bargains to download and install kill crazy gang the crimes of the lewis jones gang hence simple!

Kill Crazy Gang-Jeffery S. King 2013-01 Kill-crazy Gang: The Crimes of the Lewis-Jones Gang is about the violent Lewis-Jones gang of the 1910s. One of the first gangs to use the automobile, it was the forerunner of the major bandit gangs of the 1930s. They came out of Oklahoma to rob banks and trains and steal cars. It is said they killed twenty-one lawmen and maimed a dozen more before the law finally wiped them out. Among the colorful criminals were Dale Jones, a cross-dresser, Eva Lewis, a
beautiful young singer and dancer, and Mattie Howard, "the girl with the agate eyes and the smile of death," who was said to have had ten sweethearts of hers who had died. One lawman wrote, "the crimson records of the Lewis Boys gang easily over matched all the rest."

The Best New True Crime Stories: Partners in Crime-Mitzi Szereto 2022-01-18 A true crime anthology exploring the dangerous side of romance—with couples who bonded over murder, mayhem and more. What brings criminal couples together? And what drives them apart? This volume of The Best New True Crime Stories attempts to answer these questions with a deep dive into true tales of lawless love. Everyone’s heard of Bonnie and Clyde, but the annals of crime history are full of dysfunctional duos whose deadly escapades are equally enthralling. Featuring contributions from an international list of award-winning crime writers, journalists, and experts in the dark crimes field, The Best New True Crime Stories: Partners in Crime is a must-read for any true crime afficionado. Because when love goes wrong, there’s never a dull moment.

Wrecked Lives and Lost Souls-Jerry Thompson 2019-10-24 Growing up, Jerry Thompson knew only that his grandfather was a gritty, “mixed-blood” Cherokee cowboy named Joe Lynch Davis. That was all anyone cared to say about the man. But after Thompson’s mother died, the award-winning historian discovered a shoebox full of letters that held the key to a long-lost family history of passion, violence, and despair. Wrecked Lives and Lost Souls, the result of Thompson’s sleuthing into his family’s past, uncovers the lawless life and times of a man at the center of systematic cattle rustling, feuding, gun battles, a bloody range war, bank robberies, and train heists in early 1900s Indian Territory and Oklahoma. Through painstaking detective work into archival sources, newspaper accounts, and court proceedings, and via numerous interviews, Thompson pieces together not only
the story of his grandfather—and a long-forgotten gang of outlaws to rival the infamous Younger brothers—but also the dark path of a Cherokee diaspora from Georgia to Indian Territory. Davis, born in 1891, grew up on a family ranch on the Canadian River, outside the small community of Porum in the Cherokee Nation. The range was being fenced, and for the Davis family and others, cattle rustling was part of a way of life—a habit that ultimately spilled over into violence and murder. The story “goes way back to the wild & woolly cattle days of the west,” an aunt wrote to Thompson’s mother, “when there was cattle rustling, bank robberies & feuding.” One of these feuds—that Joe Davis was “raised right into”—was the decade-long Porum Range War, which culminated in the murder of Davis’s uncle in 1907. In fleshing out the details of the range war and his grandfather’s life, Thompson brings to light the brutality and far-reaching consequences of an obscure chapter in the history of the American West.

**Marvel Encyclopedia New Edition**-Stephen Wiacek 2019-04-02 Discover the essential facts about Marvel Comics' timeless heroes and villains-from Captain America, Spider-Man, and Iron Man to Thanos, Loki, and Kingpin-with an introduction by the legendary Stan Lee. Gangsters, kidnappers, maniacal killers, and thugs of all stripes had their lurid stories recounted in Crime Does Not Pay! Featuring thrilling, brutal tales and disturbing, despicable characters, Crime Does Not Pay enthralled a nation and was the most popular comic book of its time. The series was a favorite target of Dr. Fredric Wertham and other censors and is partially responsible for the creation of the Comics Code Authority—yet it was also an inspiration for Harvey Kurtzman's reality-based EC Comics. See why this series was both revered and reviled in this unique "best of" primer! * Crime Does Not Pay editor Bob Wood brutally murdered his girlfriend and was later murdered himself! This fascinating sidebar is detailed in an essay by cartoonist, historian, and co-editor Denis Kitchen. * Contains a selection of stories from across the series' run in the 1940s, a new cover, an illustrated essay, and an introduction. * All-new Crime-inspired cover by artist Pete Poplaski with colors by Bernie Mireault.

The Mafia Encyclopedia-Carl Sifakis 2005-01-01 More than 500 alphabetical entries provide information on the people, places and events associated with the Mafia.

On the Lam-William Beverly 2015-11 From the author of the novel Dodgers, an exploration of how the fugitive criminal took the spotlight in American literature, film, and media news

Charlotte True Crime Stories: Notorious Cases from Fraud to Serial Killing-Cathy Pickens 2019-08-12 Crimes that captivated
attention in the Charlotte area over the years run the gamut from missing people to the wrongly accused. This collection of headline stories features violent motorcycle gangs, crusading mothers, a fraudster who claimed a president was poisoned by his wife, a serial killer who broke all the rules and even a man who made Bigfoot. With a mystery novelist’s ear for a good tale, Cathy Pickens presents more than a century of sensational sinister deeds that marked this diverse and dynamic city.

Outlaw Motorcycle Gangs as Organized Crime Groups-Thomas Barker 2014-05-29 This brief covers the unique crime group of Outlaw Motorcycle Gangs. Outlaw Motorcycle Gangs are adult criminal associations composed of “bikers” living a deviant lifestyle that includes individual, group, and club criminal behavior. These groups are sometimes called one percenters, due to the American Motorcycle Association statement that ninety-nine percent of motorcyclists are law abiding citizens. While many may be familiar with the reputation of the Hells' Angels, many may not realize the wide network of other Outlaw Motorcycle Gangs or the extent of their involvement in criminal activities. The brief includes a breakdown of the criminal networks and activities of these groups, which operate similarly to an organized crime group. It also covers the evolution of motorcycle clubs to motorcycle gangs. It examines the recent trend of American-based motorcycle gangs into international organized crime activities. This book will be of interest to researcher studying criminology, particularly organized crime and criminal networks, as well as international and comparative law and public policy.

Killing the Mob-Bill O'Reilly 2021-05-04 In the tenth book in the multimillion-selling Killing series, Bill O'Reilly and Martin Dugard take on their most controversial subject yet: The Mob. Killing the Mob is the tenth book in Bill O'Reilly's #1 New York Times bestselling series of popular narrative histories, with sales of nearly 18 million
copies worldwide, and over 320 weeks on the New York Times bestseller list. O’Reilly and co-author Martin Dugard trace the brutal history of 20th Century organized crime in the United States, and expertly plumb the history of this nation’s most notorious serial robbers, conmen, murderers, and especially, mob family bosses. Covering the period from the 1930s to the 1980s, O’Reilly and Dugard trace the prohibition-busting bank robbers of the Depression Era, such as John Dillinger, Bonnie & Clyde, Pretty Boy Floyd and Baby-Face Nelson. In addition, the authors highlight the creation of the Mafia Commission, the power struggles within the “Five Families,” the growth of the FBI under J. Edgar Hoover, the mob battles to control Cuba, Las Vegas and Hollywood, as well as the personal war between the U.S. Attorney General Bobby Kennedy and legendary Teamsters boss Jimmy Hoffa. O’Reilly and Dugard turn these legendary criminals and their true-life escapades into a read that rivals the most riveting crime novel. With Killing the Mob, their hit series is primed for its greatest success yet.

Biker Gangs and Transnational Organized Crime-Thomas Barker 2014-10-17 Biker Gangs and Transnational Organized Crime, Second Edition, describes and analyzes a rapidly expanding global problem: criminal acts committed by motorcycle gangs. Thomas Barker, one of the world’s top experts on outlaw biker gangs, offers fascinating details about the Bandidos, the Vagos, the Mongols, and other "one percenters" (criminal biker gangs, as opposed to the vast majority of motorcycle enthusiasts). He combines this data with a strengthened conceptual framework that makes sense of this complicated picture. U.S.-based motorcycle gangs like the Hells Angels have proliferated, especially in Canada and Europe, to the point where these gangs have more members in other countries than in the United States. Increasingly more often in recent years their crimes are not limited to rumbles or drug use—these gangs challenge the dominance of organized crime, leading to violent conflicts.
between the rivals. Germany, Scandinavia, the UK, the Netherlands, and Canada are particularly hard-hit by this rising violence. One of Barker's unique contributions is his Criminal Organization Continuum, building on the groundbreaking network approach to organized crime proposed by Klaus von Lampe. Introduced in the first edition, Barker elaborates his continuum tool and makes it more multi-dimensional to help refine the definition of adult criminal gangs. The product of years of research, this book lays the groundwork for further study by offering students, police, and researchers the most thorough account available of outlaw motorcycle gangs.

**Murder Machine**-Gene Mustain 1993-07-01
"The inside story of a single Brooklyn gang that killed more Americans than the Iraqi army."—Mike McAlary, columnist, New York Post
They were the DeMeo gang—the most deadly hit men in organized crime. Their Mafia higher-ups came to know, use, and ultimately fear them as the Murder Machine. They killed for profit and for pleasure, following cold-blooded plans and wild whims, from the mean streets of New York to the Florida Gold Coast, and from coast to coast. Now complete with personal revelations of one of the key players, this is the savage story that leaves no corpse unturned in its terrifying telling. INCLUDES PHOTOGRAPHS

**Labyrinth**-Kat Richardson 2010-08-03
To find the ghost of her killer-and rescue her father-Harper Blaine will have to enter into the Grey. And with her growing powers pulling her deeper into that paranormal world, she's afraid she may not be able to come back out.

**From the Headlines to Hollywood**-Chris Yogerst 2016-09-02
More than any other studio, Warner Bros. used edgy, stylistic, and brutally honest films to construct a view of America that was different from the usual buoyant Hollywood fare. The studio took seriously Harry Warner's
mandate that their films had a duty to educate and demonstrate key values of free speech, religious tolerance, and freedom of the press. This attitude was most aptly demonstrated in films produced by the studio between 1927 and 1941—a period that saw not only the arrival of sound in film but also the Great Depression, the rise of crime, and increased concern about fascism in the lead-up to World War II. In From the Headlines to Hollywood: The Birth and Boom of Warner Bros., Chris Yogerst explores how “the only studio with any guts” established the groundwork and perfected formulas for social romance dramas, along with gangster, war, espionage, and adventure films. In this book, the author discusses such films as The Public Enemy, Little Caesar, G-Men, The Life of Emile Zola, Angels with Dirty Faces, and Confessions of a Nazi Spy, illustrating the ways in which their plots truly were “ripped from the headlines.” While much of what has been written about Warner Bros. has focused on the plots of popular films or broad overviews of the studio’s output, this volume sets these in the larger context of the period, an era in which lighthearted fare competed with gritty realism. From the Headlines to Hollywood will appeal to readers with interests in film history, social history, politics, and entertainment.

**Kill Crazy**—William W. Johnstone 2014-04-01 A Wyoming rancher takes on a bloodthirsty bank robber in a novel from the USA Today-bestselling author and “masterful storyteller” (Publishers Weekly). Born to a family of hard-fighting Scotsmen. Sworn to a legacy of blood and honor. Duff MaCallister brings his own brand of justice to the new American frontier—in this explosive western saga from bestselling authors William W. Johnstone and J.A. Johnstone. Shooting Is The Only Way Out In a town like Chugwater, Wyoming, you know who your friends are, who your enemies are, and who your kill-crazy maniacs are. For Duff MacCallister, the last category belongs to Johnny Taylor and his gang. Duff has wrestled with this polecat before, and knows that his bite is worse than his smell. But
when Taylor's gang tries to rob a bank--and Duff manages to shoot one and arrest Taylor's brother--the outraged outlaw raises a stink straight out of hell. First, he begins to randomly slaughter innocent townsfolk one by one. Then, he leaves a note on the bodies warning: "We will kill more of your citizens if you do not let my brother go." Now, he's kidnapped a woman as bait--lighting a fuse under Duff MacCallister that's bound to ignite the biggest, bloodiest showdown in Chugwater history. . .

Decoding Albanian Organized Crime-Jana Arsovska 2015-02-06 The expansion of organized crime across national borders has become a key security concern for the international community. In this theoretically and empirically vibrant portrait of a global phenomenon, Jana Arsovska examines some of the most widespread myths about the so-called Albanian Mafia. Based on more than a decade of research, including interviews with victims, offenders, and law enforcement across ten countries, as well as court files and confidential intelligence reports, Decoding Albanian Organized Crime presents a comprehensive overview of the causes, codes of conduct, activities, migration, and structure of Albanian organized crime groups in the Balkans, Western Europe, and the United States. Paying particular attention to the dynamic relationships among culture, politics, and organized crime, the book develops a framework for understanding the global growth of the criminal underworld and provides a model for future comparative research.

Organized Crime-Geoff Dean 2010 Organized crime in the twenty-first century is a knowledge war that poses an incalculable global threat to the world economy and harm to society - the economic and social costs are estimated at upwards of £20 billion a year for the UK alone (SOCA 2006/7). Organized Crime: Policing Illegal Business Entrepreneurialism offers a unique approach to the tackling of this area by exploring how it works through the conceptual framework.
of a business enterprise. Structured in three parts, the book progresses systematically through key areas and concepts integral to dealing effectively with the myriad contemporary forms of organized crime and provides insights on where, how and when to disrupt and dismantle a criminal business activity through current policing practices and policies. From the initial set up of a crime business through to the long term forecasting for growth and profitability, the authors dissect and analyse the different phases of the business enterprise and propose a 'Knowledge-Managed Policing' (KMP) approach to criminal entrepreneurialism. Combining conceptual and practical issues, this is a must-have reference for all police professionals, policing academics and government policy makers who are interested in a Strategy-led, Intelligence supported, Knowledge-Managed approach to policing illegal business entrepreneurialism.

**Records and Briefs of the United States**

**Supreme Court- 1832**

**Crime and Punishment**- G.F. Newman

2013-11-05 In 1951 the Festival of Britain marks a new golden age of hope and prosperity for the country. Things are certainly looking up for the criminal elite who run the East End. For Jack, a draft-dodger with aspirations to be a champion boxer, there's easy money to be made for providing a bit of muscle. Meanwhile his sister Kath must keep secret the fact that she killed their father to protect her son, Brian, from the abuse she experienced as a child. Brian is so traumatized by witnessing this event that the complex union of violence and sexuality will shape his character for life. As the years go by and disillusion sets in, successive Labour and Tory governments aren't able to stop the rot. Younger, nastier criminals like the Kray twins and the Richardson brothers begin to carve out their own criminal empires and crush all resistance. Brutalised and embittered by years of failure and imprisonment, Jack decides to make a
stand. The stage is set for one big war. Crime and Punishment is the first volume in a two-part epic, and follows the characters' lives up until the accession of Thatcher. The second volume will trace the dramatic changes in criminal society that reflected the wider social upheaval of the times, right up until the present day.

**The Crazy Kill**-Chester B. Himes 1973

**The Encyclopedia of True Crime**-Allan Hall 2005

**Gangsters**-Lewis Yablonsky 1998-08 The effects of gang violence are witnessed every day on the streets, in the news, and on the movie screen. In all these forums, gangs of young adults are associated with drugs and violence. Yet what is it that prompts young people to participate in violent behavior? And what can be done to extract adolescents from the gangster world of crime, death, and incarceration once they have become involved? In Gangsters: 50 Years of Madness, Drugs, and Death on the Streets of America, Lewis Yablonsky provides answers to the most baffling and crucial questions regarding gangs. Using information gathered from over forty years of experience working with gang members and based on hundreds of personal interviews, many conducted in prisons and in gang neighborhoods, Yablonsky explores the pathology of the gangsters' apparent addiction to incarceration and death. Gangsters is divided into four parts, including a brief history of gangs, the characteristics of gangs, successful approaches for treating gangsters in prison and the community, and concluding with a review and analysis of notable behavioral and social scientific theories of gangs. While condemning their violent behavior in no uncertain terms, Yablonsky offers hope through his belief that,
given a chance in an effective treatment program, youths trapped in violent behavior can change their lives in positive ways and, in turn, facilitate positive change in their communities and society at large.

New York Magazine- 1988-11-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine’s consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Front Page-Bob Broeg 1982

The Gangs Of New York-Herbert Asbury 2016-07-26 Herbert Asbury presents here a vivid and startling account of New York gangdom from its beginning in Revolutionary times to comparatively recent days. Here are the stories of the great gangs which terrorized the city and at times menaced its very existence—from the Bowery Boys and the Dead Rabbits to the Gophers and the Eastmans. Kid Dropper, Dopey Benny, Gyp the Blood and Owney Madden are a few of the gangster luminaries described, not to mention such female evildoers as Gallus Mag and Sadie the Goat. Nor have the underworld’s lesser lights been overlooked; for these pages are crowded with a host of gang warriors, pickpockets, tong leaders, murderers, politicians, gamblers, prostitutes, dive-keepers and a few would-be reformers. Mr. Asbury has created such a rich, factual background for this chronicle of crime and gangsterism that the book gains considerable stature as a revealing picture of New York City’s history through a century of frenzied growth and expansion. Whether you read it as such or merely for amusement, it is a
swift, exciting experience.

Dillinger's Wild Ride-Elliott J. Gorn 2011-09-29 Presents an account of the activities of the Dillinger gang in 1933 and 1934 when they robbed over a dozen banks.

Master of Deceit-Marc Aronson 2012-04-10 A fascinating and timely biography of J. Edgar Hoover from a Sibert Medalist. "King, there is only one thing left for you to do. You know what it is. . . . You better take it before your filthy, abnormal, fraudulent self is bared to the nation.” Dr. Martin Luther King received this demand in an anonymous letter in 1964. He believed that the letter was telling him to commit suicide. Who wrote this anonymous letter? The FBI. And the man behind it all was J. Edgar Hoover, the FBI's first director. In this unsparring exploration of one of the most powerful Americans of the twentieth century, accomplished historian Marc Aronson unmasks the man behind the Bureau- his tangled family history and personal relationships; his own need for secrecy, deceit, and control; and the broad trends in American society that shaped his world. Hoover may have given America the security it wanted, but the secrets he knew gave him — and the Bureau — all the power he wanted. Using photographs, cartoons, movie posters, and FBI transcripts, Master of Deceit gives readers the necessary evidence to make their own conclusions. Here is a book about the twentieth century that blazes with questions and insights about our choices in the twenty-first. Back matter includes an epilogue, an author's
Luka Sun Goes on a Crime Spree - Matthew Smith 2015-07-31
Luka Sun goes on a raping and murder spree. Detective Sam Jones hunts him down. Things really get out of hand and Sam ask for help in being this guy in. After a year of hunting him down they get him. But Luka escapes two time and keeps killing and raping women.

Encyclopedia of Criminal Justice Ethics - Bruce A. Arrigo 2014-07-17
Federal, state, county, and municipal police forces all have their own codes of conduct, yet the ethics of being a police officer remain perplexing and are often difficult to apply in dynamic situations. The police misconduct statistics are staggering and indicate that excessive use of force comprises almost a quarter of misconduct cases, with sexual harassment, fraud/theft, and false arrest being the next most prevalent factors. The ethical issues and dilemmas in criminal justice also reach deep into the legal professions, the structure and administration of justice in society, and the personal characteristics of those in the criminal justice professions. The Encyclopedia of Criminal Justice Ethics includes A to Z entries by experts in the field that explore the scope of ethical decision making and behaviors within the spheres of criminal justice systems, including policing, corrections, courts, forensic science, and policy analysis and research. This two-volume set is available in both print and electronic formats. Features: Entries are authored and signed by experts in the field and conclude with references and further readings, as well as cross references to related entries that guide readers to the next steps in their research journeys. A Reader's Guide groups related entries by broad topic areas and themes, making it easy for readers to quickly identify related entries. A Chronology highlights the development of the field and places material into historical context; a Glossary defines key terms from the fields of law and ethics; and a Resource Guide
provides lists of classic books, academic journals, websites and associations focused on criminal justice ethics. Reports and statistics from such sources as the FBI, the United Nations, and the International Criminal Court are included in an appendix. In the electronic version, the Reader's Guide, index, and cross references combine to provide effective search-and-browse capabilities. The Encyclopedia of Criminal Justice Ethics provides a general, non-technical yet comprehensive resource for students who wish to understand the complexities of criminal justice ethics.

The **BFI Companion to Crime**-Phil Hardy 1997-01-01 Robbers, gangsters, murderers, and criminals of every description have long been a staple of popular entertainment. Movies are no exception, and film buffs and scholars alike now have a complete guide to the vast array of films that make up the fascinating world of crime cinema. The BFI Companion to Crime offers detailed information on the sub-genres and motifs of movies dealing with criminals and their behavior: prison dramas, heist stories, kidnappings, the exploits of serial killers, juvenile delinquents, and hired guns. Phil Hardy also includes articles on the historical and social background of crime movies. The Mafia, the Japanese yakuza, the FBI, and the underworld of union rackets, prostitution, and drugs are some of the topics covered. Fictional characters such as Sherlock Holmes, Inspector Maigret, Philip Marlow, and Pretty Boy Floyd appear in these pages, along with the literary sources of many crime films. The works of Graham Greene, Dashiell Hammett, Mickey Spillane, and Eric Ambler are among those featured. Abundantly illustrated with more than 500 photographs, this is the book for film enthusiasts and anyone interested in the crime genre.

**Uncle John's True Crime**-Bathroom Readers' Institute 2012-09-01 You'll be on the edge of your seat reading tales of cops, robbers, criminals, and lawyers with this little tome that packs a lot...
of heat. Do you like to read great stories? This book is loaded with them! We've rounded up the best cops-and-robber articles we've ever done--plus a rogue's gallery of new offenders. You'll read about dumb crooks and criminal masterminds, mafia henchman and low-level goons, ancient warriors and Old West gunslingers, crazed cops and jovial judges, and even a few loony lawyers and crooked Wall Street types. It's the True Crime book that only Uncle John could make! Here are some of the unusual suspects . . . * New York City's "Mad Bomber" * The Biddle Brothers and the Queen of the Jail * Law and Order: Special Pants Unit * Dopes who hide their dope in the strangest places * America's first private eye * NASCAR's bootlegging beginnings * The real pirates of the Caribbean * Why CSI makes the cops' job even harder * Billy the Kid and other outlaws who died with their boots on * George Luger, Samuel Colt, and other fathers of guns * The greatest train robberies * Arrested for farting * And much more!

**Killing the Mob**-Bill O'Reilly 2021 "Killing the Mob is the tenth book in Bill O'Reilly's #1 New York Times bestselling series of popular narrative histories, with sales of nearly 18 million copies worldwide, and over 320 weeks on the New York Times bestseller list. O'Reilly and co-author Martin Dugard trace the brutal history of 20th Century organized crime in the United States, and expertly plumb the history of this nation's most notorious serial robbers, conmen, murderers, and especially, mob family bosses. Covering the period from the 1930s to the 1980s, O'Reilly and Dugard trace the prohibition-busting bank robbers of the Depression Era, such as John Dillinger, Bonnie & Clyde, Pretty Boy Floyd and Baby-Face Nelson. In addition, the authors highlight the creation of the Mafia Commission, the power struggles within the "Five Families," the growth of the FBI under J. Edgar Hoover, the mob battles to control Cuba, Las Vegas and Hollywood, as well as the personal war between the U.S. Attorney General Bobby Kennedy and legendary Teamsters boss Jimmy Hoffa. O'Reilly
and Dugard turn these legendary criminals and their true-life escapades into a read that rivals the most riveting crime novel. With Killing the Mob, their hit series is primed for its greatest success yet"

**Hard Cases - True Stories of Irish Crime**

Gene Kerrigan 2005-02-08 From crime to verdict, award-winning journalist Gene Kerrigan tells the brutal stories of some of Ireland’s most notorious murders, kidnappings and violent attacks. Hard Cases is a collection of startling stories about the reality of crime and court cases in Ireland. In these stories, there are no crime bosses with quaint nicknames; the police don’t collect convenient clues that tell them whodunnit. Instead, it contains cases both famous and obscure in which the outcome is sometimes just, sometimes unsettling and always complicated, in which there are no easy answers and no simple victims. In Hard Cases, you will delve into the criminal underworld of Ireland, starting with the tale of Dessie O’Hare which records in breathtaking detail the inside story of a notorious kidnapping. There’s the story of Karl Crawley, a sometimes gentle, sometimes wild young Dublin man who found a shocking way of fighting back against authority. Then there’s the story of Peter Matthews, who went into a police station to answer questions about a petty crime and ended up dead – with gardaí covering up the reason why. Hard Cases also exposes the story behind some Ireland’s most infamous crime scenes: how did Fr Molloy come to die in the bedroom of his married friends? What happened when Christy Payne came home to find his daughter’s boyfriend wielding a hatchet? Hard Cases is a must-read – revealing the true stories behind some of Ireland’s most famous headlines and exposing the machinations of the Irish justice system, it is a shocking and fascinating snapshot of Irish crime, criminals and court cases.

**Australian Horror Films, 1973–2010**

Peter Shelley 2012-08-30 "This pioneering illustrated survey provides in-depth coverage of 76 horror
films produced in Australia, where serial killers, carnivorous animals, mutants, zombies, vampires and evil spirits all receive the "antipodean" cinematic treatment unique to the Land Down Under. Notes offer analysis of the narrative, filmmaking techniques, acting performances, recurring themes and motifs, and overall effectiveness"--Provided by publisher.

The Wild West: Usborne True Stories-Henry Brook 2013-09-01 The Wild West was a lawless wilderness until settlers from America's crowded cities came looking for gold, land and a better way of life. But it was a long struggle to tame this hard country. Here are ten real-life stories from the Old West about the cowboys, outlaws and lawmen who lived and died by the speed of their wits.
